SMIRKING EXEGGCUTE FACE GRAPH CHART

Hi there!

Thanks so much for downloading this pattern!

This pattern contains a graph chart / pixel grid for an Exeggcute smirking face that you can add to a project. This pattern includes the **PDF CHART ONLY**. It **DOES NOT** contain written instructions to make the jumper pictured. This is an unofficial pattern and is in no way affiliated with Nintendo or the Pokemon Company.

I used this graph chart to add a pattern on a knitted jumper for a stuffed toy but you could add the colourwork to anything you like.

The yarns I used to complete this project are Stylecraft Special DK yarns in the following colours: Candyfloss, Black and White. I used size 4 circular knitting needles.

If you have any questions please don't hesitate to contact me!

I hope you love your finished Smirking Exeggcute item!
